National Seminar on Dravyaguna

"Anuktadravya Vivechana-2017"

(Exploring unexplored drugs)

62nd Foundation Day Celebration

&
Alumni meet

20th - 21st July, 2017

DEPARTMENT OF DRAVYAGUNA

Institute for Post Graduate
Teaching & Research in Ayurveda

Gujarat Ayurved University
Jamnagar - 361008

www.ayurveduniversity.edu.in

www.ipgtra.com

Accredited 'A' grade by NAAC (CGPA 3.28)

Host institution

Central Institute for research in indigenous medicine was established by Govt. of India in 1952 and was upgraded as an Institute for Post Graduate Teaching & Research in Ayurveda (IPGT&RA) in 20th July 1956.

Till date, from this institute, 1638 scholars were awarded HPA / MSAM / M.D./ M.S. (Ay) degrees, 257 Ph.D. degrees, 94 M.Sc. (Medicinal Plants) and 131 M. Pharma (Ayu.) degrees, by Gujarat Ayurved University. The work force developed by this Institute forms the backbone of Ayurvedic Teaching, Research and Administration in India and abroad. Students from Sri Lanka, Nepal, Bangladesh, Maldives, and Mauritius are studying in P.G. & Ph.D. courses.

- This Institute has been re-designated as WHO Collaborating Centre for Traditional Medicines (Ayurveda) till 2020.
- The institute has also worked as National Pharmacovigilance Resource Centre (NPRC) for ASU Drugs.
- 'AYU' – A quarterly peer reviewed research Journal of Ayurveda is also being published by the institute.
- IPGT & RA is also implementing body for MOU of Gujarat Ayurved University with more than 20 National and International institutes.

Department of Dravyaguna of this Institute is going to organize National Seminar and Alumni meet on 62nd foundation day celebration.

Department of Dravyaguna

Department of Dravyaguna is one of the oldest departments of I.P.G.T. & R.A., GAU, mainly deals with pharmacotherapeutic of drugs of various origin mentioned in Ayurvedic materia medica. Department imparts teaching and researches on fundamental principles of Dravyaguna, identification of medicinal plants and their different parts, cultivation, collection and preservation, etc. at M.D.(Ayu), M. Pharma(Ayu), M.Sc. (Medicinal Plants) and Ph. D. level. Till date, Dravyaguna department has produced 42 Ph. D. and 210 M. D. Scholars.

Prof. Vishwanath Dwivedi Memorial Dravyaguna Museum

Department is equipped with well-furnished museum with various drug specimens collected from different parts of the country, a well-equipped departmental library having hundreds of books and theses catering to the needs of the faculty and students, Prof. S. C. Dhyani memorial laboratory with instruments to carry out practical and research work pertaining to Dravyaguna, a herbal garden spread over 25 Acres land at Sasoi where more than 230 plant species and total of approximately 1050 plants are available.

Many intra and extra mural research projects are being conducted by this department by focusing on current research needs in various aspects of medicinal plants such as fundamental research, drug standardization, experimental and clinical pharmacology.

Theme of the Seminar

Anuktadravya (Extrapharmacopoeial drug)

There are various single drugs regularly used in traditional practice since years but they are neither recorded in any of classical Ayurvedic Pharmacopoeia or Ayurvedic Pharmacopoeia of India. Such drugs are categorized as a *Namatah Anuktadravya Dravya* (Extra-pharmacopoeial drug) in Ayurvedic pharmacopoeia of India. Now, it is high time to include these drugs after proper scientific evaluation to enrich Ayurvedic pharmacopoeia.

On the occasion of 62nd foundation day celebration of IPGT&RA, two days National Seminar on "*Anuktadravya Vivechana-2017*" (exploring unexplored drug) is going to be organized by the institute. This will create a platform for all researchers to discuss about those drugs, which are in traditional practice since long and recent researches carried out on them till now.

Further, it also helps to develop a roadmap for inclusion of these drugs in pharmacopoeia.

Globba marantina

Byttneria herbacea

Homalium ceylanicum

Topic for Paper Presentation

1. Survey (ethno-botany & ethno-medicine/practice) on *Anukta dravya*
2. Pharmacognostical evaluation on *Anukta dravya*
3. Pharmaceutical and analytical study on *Anukta dravya*
4. Pharmacological study on *Anukta dravya*
5. Clinical trial on *Anukta dravya*
6. Assessment of Gunakarma of *Anuktadravya* through classical as well as Conventional methods.

PM Mehta Memorial Oration:

In fond memory of Late Dr. PM Mehta who was instrumental in establishment of Ayurveda education centre in Jamnagar, a memorial oration in his name was started in 1988. On this occasion, the 29th Dr. P. M. Mehta memorial oration will be delivered by a renowned personality in the field of drug research.

Guest Speakers:

During different sessions of the national seminar, learned speakers from the subject of Dravyaguna are expected from different parts of the country who will deliver key note address and invited guest lectures on various theme of the Seminar.

Call for Papers

During the seminar there will be an oral and poster paper presentation sessions.
